Leaders' Message

From the Desk of President

Dear friends,
Greetings from BDMA !

From the platform of BDMA, I complement the CSR Forum to execute a noble initiative of launching the 'CSR News Bulletin'.

We all have been through the tough times of COVID-19 Pandemic, Lockdown and here, the importance of CSR has emerged more than ever.

Even the Government is inspiring companies to provide social support and has made 'all expenses incurred on activities related to COVID-19 relief' as permissible under CSR through a circular by Ministry of Corporate Affairs dtd. 23.03.2020. A majority of companies also donated to PM CARES Fund. More than 80 % of CSR Budget was covered by COVID relief provided in some or the other way and the 'CSR Spend Graph' of all corporates to be mainly dominated by the COVID relief activities.

Hence, this became the context of first issue of 'CSR News Bulletin'. We decided to bring to you, a note of CSR activities carried out as response to COVID by the Industries & organizations of Bharuch District.

The name 'Prayatna' has been chosen very aptly and is true to its spirit that itself is a collective effort to appreciate all efforts of help by organizations to overcome this pandemic.

I appreciate & thank all organizations who did help people for COVID whether small or big. Though this issue covers activities of only April - June 2021 of few organizations of Bharuch District, all the corporates are appreciated for their continuous support since the crisis began. I thank all companies who shared their CSR data and also admire those who could not share but supported the relief by some or the other activities.

Lastly, my heartiest congratulations to Nirmalsinh Yadav, Chairman and Alkesh Rana, Co-chairman of the CSR Forum of BDMA for taking this thought into action and execution.

Hope to see much more support in coming issues from all corporates/organizations and individual professionals.

Mr. Harish Joshi

President - BDMA

From the Desk of CSR Forum Chairman

Dear Reader,
Greetings !

I first express my gratitude to our BDMA President Shri Harish Johi, it was his thought & vision that such bulletin has become a successful reality.

Friends, as you know, There are many Industrial estates in our Bharuch District, and they have many small and large scale reputed industries. Gradually new developing Industrial estates like Jhagadia, Dahej, Vilayat also have Many reputed industrial units developed there. Each of these Industries contributes to the area of CSR in its own way. Most of them is done through own CSR Department and foundation.

CSR has always been at the forefront of many of these Industrial units in our area. ONGC, GNFC, Reliance Ind., Birla group and more in our district are serving surrounding communities from the very beginning.

Many times I thought that CSR would become a platform for professional workers in the area. When Mr. Harish Joshi took charge as the President of BDMA, he immediately expressed his views to me. From this idea of our President, we have started the CSR Forum in BDMA in the month October 2020 and forum meet is being organised every month since November 2020. People of CSR, Officers & professionals of Industries share their knowledge, views and best practices.

Friends, For quite more than a year now, we have been facing the COVID pandemic as you all are aware of. Many CSR work has been done by the companies as per the requirement of the state, district as well as Village Panchayat level during this pandemic.

Today, we have brought the CSR news bulletin 'Prayatna' to inform the people of our district about the CSR activities done by the companies. We are proud to present to you all, 1st issue of 'Prayatna' - The Bharuch District's CSR News Bulletin covering the COVID relief activities done under CSR in April - June 2021.

This effort (Prayatna) will become a bridge between the companies and the people of the Bharuch District.

Thank you all organizations for sharing your CSR details of COVID relief for inclusion in this bulletin.

Hope you all enjoy the issue !
Keep your support ! Thank you !

Mr. Nirmalsinh Yadav

Chairman - CSR Forum, BDMA

Alone we can do so little; together we can do so much"

Dear Sirs,

Sub: Thank you for your support

With reference to our request letter dated 18th December 2020, we were in badly need of C-Arm equipment for Orthopaedic and Urology surgeries.

You have been kind enough to sanction the same and gave us the equipments which has come as very handy to our Surgeons to perform various surgeries.

We are very much thankful to you for the same and we are sure our commitment to serve the people of this area will continue.

We are also sure you will continue your support on a regular basis to our hospital.

Thanking you,

Yours truly

“Happiness doesn't result from what we get, but from what we give.”

- Ben Carson

CSR Activities by JUBILANT INGREVIA LTD., VILAYAT for COVID-19 Care

In the surge of Covid-19, Jubilant LifeSciences has given utmost priority to safety of employees and put all efforts to prevent them from the impact of COVID. In this unprecedented times, Company has made enormous efforts to arrange vaccine for all employees & their family members so that all will remain safe & secure. This vaccination was held in tie up with Apollo Hospital on 8th & 9th June 2021 for employees at plant site and for their dependent family members at CSR Center, Bharuch.

Jubilant is also extending support through communication outreach program to create awareness among our community regarding COVID – 19 precautionary measures and encouraging them to register for vaccination. Several pro-active workshop have been organized by our medical team for our community counterparts with support of Sarpanch and local administration

- HP India had partnered with Jubilant Bhartia Foundation and has launched a national toll-free (18004194961) to ease registration on the CO-WIN portal. This initiative will help many people, especially those who do not have easy internet access or digital skills to register themselves on CO-WIN and eventually get vaccinated. This initiative will act as a catalyst in extending the reach of vaccination programme. And will help the masses to access the programme with the challenges of lack of access to technology.
- 35 Litres of sanitizers, 2000 masks were distributed at 2 COVID care center at Vagra village of Bharuch
- 175 dry fruit kits were distributed for COVID patients for immunity at COVID care centers at Vagra
- 2 oxygen cylinder support was provided to Vorasamni village

Through our willingness to help others we can learn to be happy rather than depressed.

- Gerald Jampolsky

CSR Activities by LANXESS (I) PVT. LTD. for COVID-19 Care

• Organizes COVID-19 vaccination camp for employees, contract employees and their dependents

LANXESS India conducted a series of COVID-19 vaccination camps for its employees, contract employees and their families in the month of June at its Jhagadia site. Over 300 Covishield vaccines were administered including 100 for employees during these camps which were held in association with Smt. Jayaben Mody Hospital, Ankleshwar.

The vaccination camp had volunteers from LANXESS Jhagadia and a medical team from Smt. Jayaben Mody Hospital, Ankleshwar to ensure all medical protocols were followed. After getting vaccinated, everyone was made to wait for at least fifteen minutes in the resting area to ensure there were no abnormalities after the dose. Refreshments were also given to the beneficiaries.

Dr. Dattaprasad Talekar, Site Head - Jhagadia, LANXESS India commented, "As an organization, we prioritize safety for our employees and their families. Since vaccines are considered to be the most potent defense so far against the corona virus, we decided to get our employees and their dependents vaccinated. We thank the local administration for their timely support and the assistance we have received from Smt. Jayaben Mody Hospital in carrying out this camp.

Donates 6 units of advanced German Ventilators to hospitals in Gujarat

Jayaben Modi Hospital in Ankleshwar, Sevashram Hospital and Civil Hospital in Bharuch

Service to others is the rent you pay for your room here on earth.

- Muhammad Ali

CSR Activities by MEGHMANI ORGANICS LTD. for COVID-19 Care

Meghmani Organics Ltd. has taken CSR activity as one of the Core Values.

Since the outbreak of pandemic of COVID-19, Meghmani Family has initiated series of CSR activities at Bharuch, Ankleshwar, Panoli, Dahej, Ahmedabad, Viramgam & Mehasana districts. Meghmani has its footprints in these parts of the State and therefore various steps were taken like providing Ventilators to Civil & Charitable trust Hospitals, donating Oxygen Concentrators, Sanitizer distribution, Ration kit to the needy families, Mega Blood Donation Camp arrangement, donating Dead Body Van etc.

Since March-2020, all these activities are going on as a ritual. Recently Meghmani donated 12 Oxygen Concentrators to the Bharuch Collector Office. ESIC Hospital, Ankleshwar was given two ventilators. We are constantly providing sanitizers and ration kits to the needy.

Till date 16 Ventilators, 60 Oxygen concentrators, one dead body van, 1500 bottles of blood to red-cross society are donated. To speed up the vaccination drive, big hoardings are placed in Ahmedabad to educate the public at large to get vaccinated. For our employees & their family members a special vaccination camps have been arranged with the help of concerned authorities.

Meghmani believes in the motto of 'giving back to the Society'.

To fold the hands in prayer is well, to open them in charity is better.

- French Proverb

CSR Activities by P I INDUSTRIES, PANOLI for COVID-19 Care

As the country battles with the destructive second COVID-19 wave, PI Industries is displaying exemplary corporate social responsibility by offering innovative and agile solutions across India to fight the outbreak.

• Setting-up and handing over of Oxygen Plants

Amidst the deadly second wave of COVID-19 when states are reeling under a shortage of medical oxygen, PI Industries quickly rolled out a project for setting up and handing over of 3 oxygen plants across 3 hospitals-SDH & CHC, Jambusar, CHC & Referral Hospital, Avidha, Jhagadiya & Wellcare Hospital, Kharod in Bharuch Gujarat.

• Financial assistance for procurement of medicines for underprivileged

In the wake of Covid-19 second wave, PI from its CSR arm PI Foundation provided financial assistance to Rotary welfare Trust, Bharuch for procuring expensive lifesaving medicines to support the underprivileged community.

• **Medical facilities to set up Covid-19 isolation centre:** in Bharuch PI Industries, through its CSR arm PI Foundation, provided 50 beds, 50 mattress and requisite medical equipment such as Pulse-oximeter, Blood Pressure Apparatus and thermometers to Covid-19 Isolation Centre at Swaraj Bhawan, Jambusar, managed by Govt of Gujarat along with Community based Organization.

PI Foundation in collaboration with GVK-EMRI is implementing Swasthya Seva through 3 Mobile Medical Vans that supports more than one lakh population (1,18,851) from remote 64 villages of Jambusar.

PI Foundation and its partners continuously organising awareness session on precautions against pandemic Coronavirus and screening of potential cases in 64 villages around Jambusar. Mobile Health Van staffs spread the messages among community members and beneficiaries came to avail the health services through providing updated information.

Screening of 150 labours once a week around plant of Jambusar.

It's not that successful people are givers; it is that givers are successful people.

- Patti Thor

ZCL Chemicals Limited, a group company of Advent International has donated a sum of INR 13.50 (Rupees Thirteen Lakhs Fifty thousand only) to Ankleshwar Industries Association (AIA) on 19th May 2021 by the hands of Site Head Mr. Ram Mohan Lokhande as part of their moral responsibility in pandemic situation of COVID-19 to buy TWO VENTILATORS based on their request and appeal from the Vice Chairman and Managing Director (VCMD) of GIDC who has been deputed as CEO & CSR authority by the Government of Gujarat.

"Helping others, without expecting anything in return is what true self-worth is all about."

- Gavin Bird

In the months with lockdowns, social isolation and periods of uncertainty, like all organizations, CSR activities of YOKOHAMA OFF HIGHWAY TIRES, Dahej have been centered around COVID-19 relief. From distribution of food packets, medicines and PPE kits to frontline workers to sanitization of villages, their teams from the factories were actively engaged in community development in and around Dahej and Tirunelveli.

Amberish Shinde, Plant Head, Dahej Factory said, "Sustainable growth that is inclusive of the well-being of the local communities that we operate in has been a focal point of our business philosophy. This ongoing pandemic warrants quick action and with the struggle that India is going through, it's need of the hour to contribute in whatever way we can. True to our work culture, we even got more number of employee participation and deeper engagement in various community welfare initiatives."

At YOHT, it is believed, "when we are alone we might be single drops, but when we come together, we are a powerful force of hope and wellness!"
